The Tuition.io Outlook

At Tuition.io, we're all about customization and white glove service. We'll provide guidance on how to structure your contribution program to gain the greatest benefits for your employees and bottom line.

tuition.io

What We'll Deliver

Within a week of receiving some simple data, we'll schedule a follow-up meeting with you and your senior team to go over your optimal rollout plan, including projections about:

Your overall employee debt

Expected adoption rate of Tuition.io

Your average employee debt ratio

Your expected business gains with Tuition.io

Your greatest areas of contribution need

Best customized plan options from Tuition.io

All We Need from You

To get the most customized plan for your company, please send along the following pieces of information.

About each anonymized employee

✓ Title & Department

✓ Geographic location

About your company

✓ Turnover rate

✓ Average cost to rehire

If you don't have any of these specifics, don't worry. Just share what you can pull together and we'll do the rest!
